Projects

Ecommerce Web-App -Cara Ecommerce — 02/2024 – CURRENT
Jamkhed,Ahmednagar

Tools: MERN stack (MongoDB, Express.js, React, Node.js)

🔗 https://cara-ecomerce-amber.vercel.app/

• Developed a responsive MERN stack ecommerce application with a modern and user-friendly UI.

• Features include user account creation, login, and password recovery. The app allows users to manage their shopping cart with add and remove options and includes various sections such as About, Contact, Shop, and Blog.

• Integrated Stripe for secure payments, providing a seamless checkout experience.

• Upon successful payment, users are redirected to a page displaying detailed order information.

Chat Web-App - InstaChat — 07/2024 – CURRENT
Jamkhed,Ahmednagar

Tools: MERN stack (MongoDB, Express.js, React, Node.js), SocketIo, MaterialUi, Redux

🔗 https://instachat-v1-chat.vercel.app/

• Developed a feature-rich chat application using the MERN stack, MUI, and Socket.IO. The application allows users to create and log in to their accounts,send and accept friend requests, and manage friend lists and groups.

• Users can also send messages, including attachments such as images, photos, videos, and files, and unsend messages as needed. The app includes engaging animations and sound effects for message notifications.

• An admin panel provides an overview of user activity, displaying user details, message counts, a seven-day message graph, and dedicated pages for user management, chat management, and message management.

Tours and Travels Website - Travel — 07/2024 – CURRENT
Jamkhed,Ahmednagar

Tools: MERN stack (MongoDB, Express.js, React, Node.js)

🔗 https://toursand-travels.vercel.app/

• Created a responsive tour and travel website offering a seamless user experience with engaging scroll animations across components.

• Features include user account creation, login, and password recovery.

• Users can contact the site and provide feedback. The site also includes a dedicated page for booking tours, enhancing overall functionality and user interaction.
